

A SPIRIT OF OPTIMISM

That prevailed at the Chamber of Commerce annual meeting was contagious. Portsmouth cannot be pushed back. She is going ahead. The Herald can assure the citizens that all rumors to the contrary are without foundation. We want more small industries and we are going to have them. If you get in the way of progress, take the consequences.

PRICE TWO CENTS

MURDERER OF 11-YEAR OLD GIRL KILLED

Ohio Man Confessed That He Murdered Her Because of Things That She Said About Him.

(By Associated Press)
Stuebenville, O., April 15.—H. Miller, aged 26, of Atsola, was killed in the Jefferson County Jail today, after having publicly confessed to the murder of eleven year old Frances South. During a revival service last night at a little church at Beach Bottom, West Va., near here, Miller went to the church altar and with his hands raised he prayed to God to have mercy on his soul for the death of the little girl. He said he found relief in telling all to God. Members of the congregation took Miller to the County Sheriff who believes the man to be slightly deranged. The Sheriff said that during the night Miller insisted on making a full confession to him. He said Miller confessed that he killed the girl because of something she said while he was keeping company with her sister.

BONAR LAW SAYS PRISONERS HAVE BEEN RELEASED

(By Associated Press)
London, April 15.—Andrew Bonar Law, the government leader, in answer to questions in the House of Commons today, regarding the release of Irish hunger strikers from Mountjoy prison, stated that they had not been unconditionally released. This statement contradicted reports received from Dublin last night.

POLICE WITH PISTOLS HOLD BACK STRIKERS IN SOMERSWORTH

Labor Disturbance at Warren Shoe Shop Caused By Bringing of Non-Union Workers Into the Town

(By Associated Press)
Somersworth, N. H., April 15.—Labor disturbances at the shoe shop of W. W. Warren here caused sheriff and police officers today to hold back the crowd with pistols drawn while

LONGSHOREMEN QUIT UNITED FRUIT CO. DOCK

Non-Union Crews Unloading Ships at Boston; Strikers Remain Peaceful.

(By Associated Press)
Boston, April 15.—The docks of the United Fruit Co. here against which a strike was declared by longshoremen's Union yesterday were manned today by 300 men. The non union crews operated without interference and handled the banana cargo of a steamer which arrived today. Other vessels of the company have been diverted elsewhere but officials announced that hereafter they would attempt to handle all cargoes here.

OPENING GAME OF SEASON IN BOSTON TODAY

Baseball Fans Out in Force to See Red Sox and Washington Teams Play.

(By Associated Press)
Boston, April 15.—The American League season was opened in this city for the 20th season today with a game at Fenway Park between the Red Sox and the Washingtons. Bright skies and a wind from the west with a bit of fog in it made seasonable weather conditions for the opening today which had to be postponed yesterday because of wet grounds. Gov. Coolidge, Mayor Peters and Maj. Gen. Edwards were among the invited guests.

POTATOES DROP FROM \$10 TO \$4.50 A BARREL

Railroads Refuse to Ship "Spuds" Outside of New England Because of Freight Embargo.

(By Associated Press)
Houlton, Me., April 15.—Distribution of potatoes from Aroostook County to points outside of New England has been stopped by the railroad strike and resultant embargos caused an almost precipitant drop in prices from \$10 to \$4.50 a barrel. The price today was \$6.00. Shipment of seed potatoes to Long Island and points farther south, ordinarily completed about the middle of March, has not begun, delay having been caused first by the severe storms of the winter.

FOSTER DENIES HE STARTED THE STRIKE

Says He Has Not Been Away From Home in Pittsburg for Over Four Months.

(By Associated Press)
Pittsburg, Penn., April 15.—W. N. Foster, leader of the late steel strike, whose name was brought out in Washington yesterday as the prime mover behind the outflow railroad strike, was located at his home here today. "I have only been out of Pittsburg once in four months," said Foster, "my time is taken up these days writing a book on the steel strike. I may have something to say about the statements made in Washington later, but not now."

START FIRE UNDER BOY BOUND TO STAKE

(By Associated Press)
Lancaster, Ohio, April 15.—Police today were searching for five other boys who last evening attacked Charles Kneller, aged 10, a newsboy, while he was serving his route, bound him to a stake, piled kindling and papers about him, and having started a fire left him to his fate. A small girl reported the incident to a neighbor and she rescued the Kneller boy who was badly burned.

RUM BARREL BLOWS UP CAUSED DEATH OF MAN IN SHIP

\$100,000 Fire in Hole of Steamer Monmouth, Tied Up at Boston, Ruins 250 Barrels of Rum

(By Associated Press)
Boston, April 15.—Search of the rum-filled hold of the steamer Monmouth in which a fire caused \$100,000 damage, disclosed the body of Michael Curtin, a longshoreman, early today. To it was attached the charred end of a rope which the flames had severed, dropping him into the fire below. Curtin had been lowered by fellow longshoremen into the compartment where 250 barrels of rum were stowed. He lighted a match while below and it is thought ignited the rum from the rum and an explosion followed. The man above tried to save him by pulling him out but the fire burned the rope and he dropped back into the flames.

SEVEN MILLION POUNDS OF SUGAR REACH BOSTON

Shortage in New England Relieved on Arrival of Ship From Cuba.

(By Associated Press)
Boston, April 15.—The sugar shortage was relieved somewhat today with the arrival of 7,200,000 pounds of raw sugar from Cuba.

DETROIT MOOSE WILL WEAR OLD CLOTHES

(By Associated Press)
Detroit, Mich., April 15.—Several thousand members of the Loyal Order of Moose donned overalls today pursuant to a resolution adopted last night calling upon 8,000 local members to wear rough rainment until prices of clothing declined. The resolution also endorsed a boycott on the use of potatoes hunched several days ago in a protest against high prices.

MINERS ACCEPT INCREASE OF 20 PER CENT

(By Associated Press)
London, April 15.—The members of the miners federation have decided to accept the government's offer of a 20 percent increase on gross earnings. The decision of the men obviates the danger of a strike.

HARVARD TAKES ON N. H. STATE TODAY

Boston, April 15.—Harvard's varsity baseball team will play its twice delayed opener on Soldiers Field this afternoon, facing New Hampshire State. The visitors will take the field with a decided advantage in having a fast southpaw, Sherwood, with whom to puzzle the Crimson batsmen, unopposed to left handed service. It is many years since Harvard has had a varsity southpaw and the lack of one may tell today.

ARREST HEAD OF CHICAGO YARD MEN'S UNION

Grunau Is Taken by Police While Addressing Meeting of Strikers.

(By Associated Press)
Chicago, April 15.—John Grunau, president of the Chicago Yardmen's Organization, the "outlaw" organization which started the nation-wide strike of railroad workers, was arrested by Federal agents who raided a meeting of strikers here today. Grunau was addressing the meeting. Six others also were arrested.

ARREST STRIKE LEADERS IN CHICAGO

(By Associated Press)
Chicago, April 16.—Six officials of the "outlaw" railway union were arrested today by United States marshals on warrants issued by U. S. Commissioner Marion, charging them with violating the Lever Act. Warrants have been issued for 24 other alleged leaders in the insurgent railroad strike. It was said at the federal building.

MOTOR TRUCKS CARRY FOOD

(By Associated Press)
Port Jervis, N. Y., April 15.—Twenty-eight motor trucks from New York arrived here this morning, and are loading 40,000 live western chickens which have been stalled on freight sidings for the last five days.

HUNGER STRIKERS WIN IN IRELAND

Sixty-Eight Released Unconditionally and General Strike Called Off.

(By Associated Press)
Dublin, Ire., April 14.—Sixty-eight hunger striking prisoners were released unconditionally today and as a result the general strike is considered off. A second fatality in connection with the strike occurred today when Sgt. Lavine of the police was found shot to death with a revolver by his side. The release of the prisoners is a complete victory for the hunger strikers. It became known early that Vice Count French had summoned the Lord Mayor and that some terms had been made, but they are not known and for some days contradictory reports of the terms may be expected. The Trade Unions had no doubt who won and called off the strike, much to the satisfaction of the citizens. It became known that the Prison Board have received instructions to treat prisoners arrested under the Defence of the Realm Act more leniently until their trial.

Belfast, Ire., April 14.—Soldiers fired ball cartridges over the heads of a crowd at the Londonderry railroad station here today and three citizens were wounded by the deflected bullets. The crowd had gathered at the station in the report that Sinn Féin prisoners were to be brought in and they became so great that two troops of soldiers were called and when the gathering threatened to get beyond control they fired blank cartridges over their heads, but it had no effect and they then used ball cartridges.

The Internal Revenue office at Boston was burned this afternoon, when a crowd of men rushed into the office, broke out the clerks and set fire to the building, and no efforts were made to stop the fire until the soldiers arrived.

KITTERY

Kittery, April 16.—The Wednesday afternoon club met yesterday afternoon with Mrs. Arthur Warburg of Rye avenue. There was a good appearance and an enjoyable time passed. Refreshments were served. The next meeting will be with Mrs. Alice Hattuck of Atlantic Heights.

John Marshall has recently moved his family from the village to the new on the Point road which he has purchased.

The annual reunion of the Kittery High School Alumni Association will be held on Monday evening next and an address will be given by a man prominent in educational circles. Mr. to will be furnished by Allen's Orchestra of North Berwick.

Joseph Jenkins has purchased the house on Jones avenue in which he resides.

St. Asaph's Trips of Red Men held their weekly dance at Wentworth hall on Wednesday evening.

The Librarian of the Rye Public Library has received a catalogue referring to the "Books for Everybody" Movement which seeks to encourage the general increase of reading and to meet the growing demand. In every case possible, which includes books for the blind and a library service to the S. S. Merchants Marine, and the transactions of the best books about America for the 6,000,000 new Americans who cannot read the English language.

This enlarged program is to be financed during the next three years by a \$2,000,000 fund. This fund is being obtained by librarians, library trustees and friends of libraries, without resorting to an intensive drive.

Miss Carrie Haley of Portsmouth used the week end with relatives at Kittery.

Ice cream at J. P. Sargent's. It is Mrs. Horace Newey of the Intervene as returned from the Portsmouth hospital.

Messrs. Floyd and DeWyn Riley were recent visitors in Augusta.

Owen Pettigrew of Rye's Corner has returned from a visit with relatives at Somersworth and South Berwick.

William M. Fife has gone to Bath to attend the Methodist Conference as a delegate from the local church.

Mrs. Ira Keene is passing a few days in Boston and vicinity.

Mr. and Mrs. Harry Hemlock of

Lynn were recent guests of relatives here.

Kittery Grange, No. 325, holds a regular meeting this evening.

Mrs. Martha Rounds is able to go out after an illness.

Master Fred Harnum is reported as being somewhat more comfortable.

The Intervene Whist Club met on Wednesday evening with Mrs. Bertram Tilton and a very enjoyable evening was passed. Prizes were won by Mr. Frank Ruse and Bertram Tilton. The club will meet next week at Mrs. Tilton's.

WOOD TO MACHINE saw. Also hard wood for sale \$14.00 per cord, sawed and delivered. Wolf, Eldredge, Phone 1352-1450 Elliot Sts. N. in 1225

NOTICE TO VOTERS.

It is necessary for all voters to be present to vote in the primary election. Do not take it for granted that your name is on the enrollment, but see the Town Clerk and make certain that it is.

KITTERY POINT

Kittery Point, April 16.—Driver L. F. Fiske was in town on Wednesday looking after the property he has for sale. He is now in the real estate and insurance business. He has for sale at Kittery Point the Chamberlain hotel and Popperell hotel, Mr. Rott's cottage, Hoyt's Island and the Vaughan cottage. It was his birthday and he was celebrating it by calling on his friends. He said the latter Island livestock had washed away so that the building he had on that island he will erect on the other island.

At a meeting of the church members of the First Christian church Sunday evening, April the fourth, it was decided to hold a general church meeting Sunday evening, April 18th, immediately following the church service. This service will be held from six to seven o'clock and the church meeting will follow immediately at seven.

The work committee of the Sewing Circle of the Congregational church met on Wednesday afternoon with Mrs. George Campbell.

Miss Jennie Woodard who has been spending the winter at Parkfield hotel left today for a few weeks' visit in Newark, N. J. before returning here for the summer.

A social dance will be held at Popperell hotel on Friday evening.

William J. Tobey is confined to his home with a severe cold.

RHEUMATISM LEAVES YOU FOREVER

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

Every citizen in this county is authorized to say to every doctor and druggist that two bottles of Allenbur's, the sure conqueror of rheumatism, does not stop at agony, reduce swollen joints and drive away with every the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenbur's has been tried and tested for years and really marvelous results have been accomplished. In the most severe cases where the suffering and agony was intense and pitiful and where the patient was helpless.

Mr. James H. Allen, the discoverer of Allenbur's, who for many years suffered the tortures of acute rheumatism, describes all sufferers to know that he does not want a cent of anyone's money unless Allenbur's really cures him. He has instructed Philadelphia's Pharmacy to guarantee it in every instance.

SOUTH ELIOT

South Eliot, April 16.—On Wednesday Mr. and Mrs. Sanders Liebman observed the 69th anniversary of their wedding. Mr. Liebman is a retired farmer and is widely known throughout York County. For nearly 20 years he has been a Freemason, being a member of Nesquehanna Lodge 104 of Turner. Mr. Liebman is also identified with Osgood Lodge of Odd Fellows of Portsmouth; Strawberry Bank Encampment and Polar Star Lodge, A. O. U. W. of Kittery. He married Mary O. Plisted of York and they have one son, Frank D. Liebman.

HAMPTON

Hampton, April 16.—Miss Alice Roques of Huntington, Mass., was the week-end guest of Helen Kimball. Miss Roques is a junior at Colby college.

The Home Economic club will meet on April 30 at Grange hall. It is "Clothing Day." Miss Williams of New Hampshire college will speak. A dinner will be served at noon. All ladies who can attend the dinner are requested to notify Mrs. Hugh Brown.

The Mothers Circle meets with Mrs. Mabel Johnson on Wednesday evening.

Mrs. Everett Nudd and son are spending a few weeks in Massachusetts.

Lester Lynde of New Hampshire college and Miss Alberta N. Stearns of Dover were the week-end guests of Mary C. Toppin.

A Leap Year Ball was given on Saturday night at the Town hall by a number of young ladies. Music was furnished by the Harper orchestra of Exeter. The matrons were Mrs. Myers, Mrs. W. Brown and Miss M. Toppin. The Whist club met with Mrs. Frank Coffin on Thursday afternoon. The

Pennsylvania VACUUM CUP CORD TIRES

Not High Priced

DEALERS tell us that many people infer Vacuum Cup Tires and "Ton Tested" Tubes are high priced, assuming that quality and high prices naturally go together.

To the contrary, they are very moderately priced, due to a perfected factory organization operating in a plant utilizing every modern improvement and practical labor saving device, and marketing under an independent zone selling system which makes possible highest quality at economy prices.

Compare these prices—standardized net and uniform throughout the United States—with those of ordinary makes. Pay no more for Pennsylvania products—do not expect them for less.

Adjustment basis—per warranty tag attached to each casing:

This Can't Happen with the VESTA BATTERY

The battery condition shown here happens with every other battery but the Vesta. The illustration shows the wooden mats broken down—the plates touching. Short circuits result—the battery is killed. But this can't happen with the Vesta—the plates are locked apart by Vesta Indestructible Isolators. The construction and the advantages of these Isolators will be explained to you at any Vesta Service Station. This remarkable invention gives the Vesta doubled life and has placed the Vesta above all other storage batteries.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through taking them.

Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil. They act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood, and purifying the entire system. They do that which calomel does, without any of the bad after effects. Take one or two every night for a week and note the pleasing effect. 10c and 25c a box.

favor were awarded Mrs. Leslie Jane, Mrs. Higgins Drew and Miss Tobben. A dainty lunch was served by the hostess. The next meeting will be with Mrs. Wallace Day at Exeter on Friday.

Mrs. M. E. Brown has returned from a visit to Manchester.

Ernest G. Cole spent the week-end in Manchester. Many friends are glad to hear that Mrs. E. G. Cole is improving in health. Mrs. Cole was operated on at Sacred Heart hospital at Manchester April 3.

HARVARD WILL ADMIT WOMEN

Women are to be admitted to the Harvard graduate school of education. This decision is of special interest from the fact that this is the first time that women have been admitted to any regular department of the university, though certain organizations connected with the institution such as the Harvard summer school and the school of public health have admitted them. The adoption of the new policy necessitates a change in the statutes of the university.

BOWLING

ATLANTIC LEAGUE
The Leadingmen defeated the Payroll in the Atlantic schedule on Wednesday evening at the Arcade alleys. McCann rolled 224 with a high string of 132. The score:

proved method of construc-
tion—the basis of perfection.**STRIKERS
CLASH AT
SOMERSWORTH**There was a clash between the strike
breakers and the crowd at Somers-
worth on Wednesday, which brought
the authorities of both Somersworth
and Berwick into the conflict. Strike
breakers for the shoe factory were ina clash earlier in the day and one man
was beaten badly. In the evening more
strike breakers arrived and they were
given police protection to the Berwick
bridge, but immediately they got on
the bridge and the crowd rushed them
and the officers drew revolvers and
fired in the air. Sheriff's on the Maine
side came to the rescue and drove the
Somersworth men back and the strike
breakers were taken to the hotel. Later
the Berwick authorities laid three lines
of hose to the bridge and in this way
kept the crowd on the Somersworth
side.**WILLIAM Z. FOSTER,
RADICAL, DIRECTOR
OF INSURGENT STRIKE**

(By Associated Press)

William Z. Foster, radical leader of the unsuccessful steel strike,
is the directing genius behind the na-
tion wide strike of the rebellious rail-
roadmen, the Department of Justice
announced at Washington last night.
In support of this Attorney General
Palmer made public evidence of plans
prepared by Foster and his adherents to
disrupt the Big Four Brotherhood of
Railroadmen and to organize all rail-
road workers into one big union.Action by the government towards
the prosecuting of the strike leaders is
held in abeyance pending the re-action
on the part of the railroad men on re-
ceipt of the information of what in-
fluence is behind the strike.Reports from all sections of the
country indicate that the peak of the
strike is reached and the return of the
men has begun. This is especially true
in the Middle West where the strike
started.

In Chicago the first important break

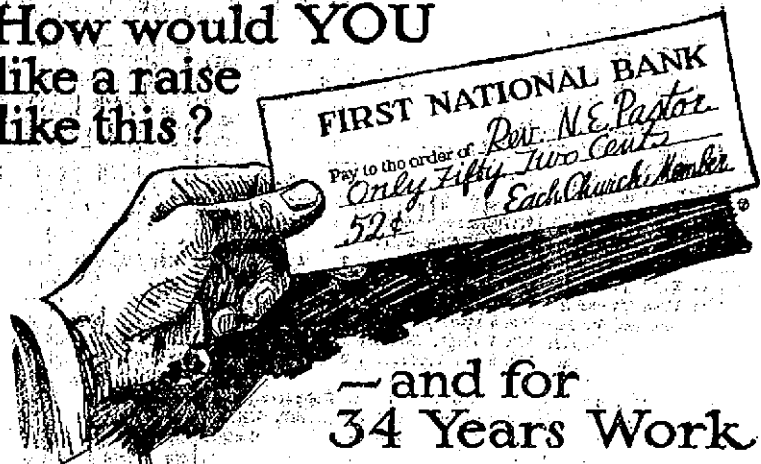

came yesterday, when groups of strik-
ers on the S. O. O. and Chicago Rock
Island and Pacific decided to return to
work. Other groups at St. Louis Mo.,
El Reno, Oklahoma, D.R. Fort Worth
Tex., and Spokane Wash., took similar
action. In the east the strikers and
railroad managers, who are supporters
of the Railroad Brotherhood, are fight-
ing for the upper hand. Altho the
strikers succeeded during the day in
adding a few recruits the railroads as-
sisted by hundreds of volunteers, made
substantial headway in restoring the
passenger service. The support given
the railroads by the public made a
marked impression on the strikers and
both railroad officials and Brotherhood
leaders predict a break in the eastern
territory.In Columbus 300 add switchmen
joined the strikers, but an effort to ad-
just the difficulties has been made by
the Brotherhood of Conductors. In To-
ledo the striking switchmen rejected a
proposal to joining the Yardmen
Union. From the South but little effect
by the strike came—reports of better
passenger service and the resumption
of normal conditions.Coincident with the prediction that
the strike is dying out the Railroad
Brotherhood chief's took a firm stand
against allowing any of their represen-
tatives joining with the railroads. A
government backed up conference in
which members of the union are rep-
resented.**CHICAGO
POLITICAL
BOSS DEAD**Chicago, April 14.—Roger G. Sullivan,
aged 59, democratic leader of Cook
County and prominent in state and na-
tional politics for thirty years died
here today.**2 CATAPULATED
INTO STORE**Lowell, April 14.—An automobile of
the Lowell Electric Light Company
plunged through the plate glass win-
dow of Dickerman & McQuade's store
at Central and Market streets last
night and threw Timothy O'Keefe and
Thomas Durkin into the store.The men were taken to St. John's
Hospital. They escaped with injuries to
the legs, arms and faces and went to
their homes after treatment.Robert M. Campbell, the chauffeur
ran the car into the window when he
saw it to avoid striking a boy.
He escaped serious injury.**YOUNG GOULA KNOCKS
OUT SILVA OF BOTSON**Providence, April 14.—Of five bout
staged at the National A. C. tonight
only one went the full ten rounds.
Young Goula, of Worcester knocked
out Young Silva in 52 seconds.Referee Canote stopped the bout be-
tween Mickey Davies of this city and
Denny Greene of Boston in the sixth
in order to save Greene.**She Gained
33 Pounds**Among the many interesting cases
of nerve quiet and increase in
weight credited to the aid of
Bistro-Phosphate is that of Mrs.
Helen Harris who was thin and
nervous when she began, weigh-
ing 101 pounds. While using
Bistro-Phosphate faithfully, she
gradually acquired healthy flesh
until she had reached 134 pounds,
a desirable weight for her. The
improvement in Mrs. Harris
appearance was so great, that
friends of hers were amazed.
The pictures hypothetically
show the figure and weight
increase. Many other cases.Bistro-Phosphate aids in overcom-
ing many cases of neurasthenia,
brats or mind, fatigue, tendency
to hysteria, melancholy, or breakdown,
depression, lack of self control, nervous
anxiety. Get new copy and treat it!This whole publication could be filled with
statements of those who tell of the efficacy
of Bistro-Phosphate in overcoming nervous-
ness, weakness and allied troubles, and in

GIRL DIES
AFTER SLEEP**North Adams, April 14.—After hav-
ing lain in a state of coma for the
past nine days, Maria Richard, 9,
daughter of Mr. and Mrs. Alfred Rich-
ard of 27 Bang street, died Wednes-
day from what was diagnosed as
sleeping sickness. Her death was the
first fatality that had come from the
strange malady in this city, although
there had been two other cases here.The little girl returned home from
school a week ago last Monday after-
noon and felt asleep. Her mother
placed her in bed, and from that time
the child slept.She was one of seven children, all
of whom were healthy, and none of
the others has shown any symptoms
of being afflicted with the ailment.
The Richard family came here from
Canada in November and the children
had all been healthy, and Maria had
was apparently a normal child up to
the time of her attack.**SENTENCE
REVOKED TO
GET BACK LOOT**Dedham, April 14.—Sydney J. Jam-
eson of Brookline, who was found guilty
by a jury in the criminal session of
the Superior Court in four cases of
breaking and entering, for being arm-
ed with a dangerous weapon when
arrested, and for having such a wea-
pon when in the commission of a fe-
sony, was sentenced by Judge Web-
ber Thayer to from 8 to 12 years in
the state prison.The judge then revoked the sentence
to give Jameson an opportunity be-
fore this morning, to disclose where
he disposed of the \$1700 of jewelry
taken from the home of Carl S. Keller,
Hillside Ave., Brookline.**LOCK OUT 1500 AT

Portsmouth, N. H., Thursday, April 15, 1920.

A Forward Move for Portsmouth.

Highly interesting and gratifying to the people of Portsmouth and vicinity was the description published in this paper, accompanied by illustration, of what the Portsmouth hospital will be when the enlargement and alterations are completed. It was shown that the city is to have a hospital fully meeting the requirements of a municipality of this size, something which has long been needed, and which at last has been provided for.

A glance at the building as it will look when completed should be sufficient to stir the pride of the people of Portsmouth. But it is not the looks of the building that is of most importance. The important fact is that in size, arrangement and equipment the institution will adequately meet the needs of the city and surrounding towns. The trustees have made a careful study of the needs in the case, and with the aid of the medical staff plans have been perfected which must commend themselves to all having a knowledge of the requirements of such an institution as a city hospital. The contract for the work to be done will be awarded at an early date and it is expected that the work will be completed within a year.

This is an improvement that has long been needed. Those in charge of the hospital have done the best they could with what they had to do with, and have done well. But the necessity of greater and better facilities has long been recognized, and that the need is to be met comes as the best of good news to all having the interests of Portsmouth at heart.

In this age no city of any size can be considered up to date without a hospital adequate to the needs of its citizens and those of the surrounding region. Modern life makes these institutions not only desirable, but absolutely necessary. In every sizable community are large numbers of people who are living away from home in hotels and boarding houses. Many times they cannot be properly cared for in these places when sick, and the hospital is the place for them. It is the only proper place for operations and the treatment of serious accident cases, and in these days the hospital accommodates many maternity cases, among which are people coming from the very best of homes. The trained nurses and the facilities they have to work with make the hospital altogether the best place for the sick and injured in the great majority of cases. It is the knowledge of this that is steadily increasing the number of hospitals and enlarging and perfecting their equipment.

There was a time when there was a popular dread of the hospital. It was looked upon as a sort of living-death-house in which people were handled and treated more like animals than human beings—a place that should have over its door, "Abandon hope, all ye who enter here." But that time has gone by. The public now understands the true character and purposes of the hospital, which is recognized as one of the prime necessities of modern community life.

Portsmouth is to be congratulated on the coming early fulfillment of a long-recognized want and the thanks of the community are due to the men and women who have taken the matter in hand and perfected plans for a development which will be greatly to the credit of the city when carried to completion.

Portsmouth has its branch of the Independent Political League of America, which, among other things, stands for doing away with prohibition by the repeal of the 18th amendment. There is nothing like standing in the open in connection with matters political, albeit there are large numbers who in many cases consider it inexpedient to do so.

It looks like a lively season at the Country Club. The members are active and planning for various features which should make the place very attractive this season.

The garbage question should be disposed of without needless delay. A proper collection of garbage is essential at all times of the year, and the season is close at hand when health considerations will make action imperative.

Boston receives legalized Sunday sports with open arms, thereby setting an example that will probably be followed by most of the cities and large towns of Massachusetts. It is the "spirit of the age."

Vermont University has opened the doors of its medical college to women in a desire to help overcome the shortage of physicians in rural New England communities. Like farm help, the young doctors today gravitate to the centers, and it is to be feared the women will do this as well as the men.

In spite of his reported "relapse" President Wilson has resumed his automobile trips. He is a master hand at disappointing his critics and the gossips.

It seems strange that an organization to oppose prohibition should take the name of the camel, which is supposed to be able to go longer without a drink than almost any other "critter."

Senator Johnson's victory in the Michigan primaries caused much surprise in certain quarters. And there are liable to be further surprises before the battle ends.

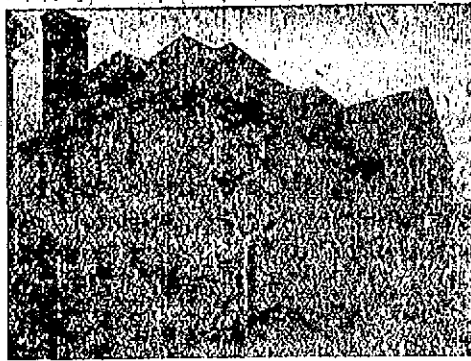

PLAYGROUND
AT FARRAGUT
SCHOOL NEEDED

Discussion at Meeting of the
Parent-Teachers' Association
Last Evening.

The Farragut school contained a large and enthusiastic gathering Wednesday evening when a meeting and social was held under the auspices of the Parent-Teachers' Association of the school and it proved a most interesting and pleasant affair.

Mrs. Samuel Cohen, president of the Parent-Teachers' Association presided and opened the meeting with a short talk in which she emphasized the great need of the school for a large playground.

The violin class of Peter Kuritz gave a chosen musical program, with Mrs. Kuritz at the piano and every number was listened to with appreciation and applause followed.

FARRAGUT SCHOOL.

Kuritz gave a short but interesting talk on the value of music. The pupils acquitted themselves with credit. Those taking part were Leo Sukko, Charles D. Brown, Mungo Parrott, Oberdan Dillero, Renato Pinocesi, Carlo Lazzari, Lewis Schwartz, Tony Constantino, Benjamin Cohen, Allen Wilson, Ida Cohen, Marion Leary, Keith Bickford, Julia White.

The solos were given by Oberdan Dillero, Ruth Clements and Renato Pinocesi; Renato Pinocesi and Carlo Lazzari rendered a violin duet. Ruth Clements, a little Miss of seven years, was the youngest of the players and acquitted herself remarkably well for so young a child.

After the musical program, Mayor Albert Hixon gave a short talk, with after paying a well-deserved tribute to Miss Mithum for her able work as principal of the Farragut school, he referred to the playground question. He said that at least a definite price had been placed of the property which it is hoped will be purchased for a playground. While the price set is a good sum he would advise the city to purchase and would bring up the matter at the next meeting of the city council and undoubtedly it would not be long before the school would have the largest playground.

The remainder of the evening was passed in a social manner. Dancing was enjoyed in the school rooms and in the hall. Miss Martha Gray presided at the piano.

Ice cream and home-made cake was on sale during the evening, the cake being donated for the occasion. Fifteen dollars was cleared from the sale of refreshments, plus to be used toward equipment for the new playground.

The cake table was in charge of Mrs. Matthew Maguire, Mrs. Garland and Mrs. Wynt, Barry, Mrs. deLacoste and Mr. O'Hara served ice cream.

The Parent-Teachers' Association has just completed a membership drive and now number 25. Mrs. Cohen, the president of the organization, has been untiring in her efforts to promote the welfare of the association in a valuable asset to the Farragut school. Its principal object now is to see the school have a suitable playground for 350 children. At present the school has a playground of six square feet for each child. Standing room only. Some of these little folks have not even a yard adjoining

their own home and the need of the playground should be all the more apparent to our citizens.

PEOPLE'S
OPINIONS

Sticks Up for Railroad Men.

Editor—Recently there was published in your paper an article signed "Housewife." She seems to lay great stress on the recent running of the train. I would like to talk to that woman a few moments. Does she realize what the month of February and March mean to the railroads? It has been said that the motto of those months might be "Curse the railroads." We realize that it is not pleasant to be at a station waiting for a train that does not come. But is the public ever that of the railroad men? The officials, whose names are worn flat from the month's grind, and their positions—well, to lucky if they have still got any of those "thinks" left at all.

But they don't think anything about that and the silly old lady remarks, "These railroads don't care anything for they do just as they please." And the

RYE COUNCIL
ORGANIZED
24 YEARS

Junior Mechanics of That
Town Entertain in Celebration of Anniversary.

Scandinavian Council, Junior Order United American Mechanics observed its twenty-fourth anniversary in the town hall at five o'clock Wednesday evening, and about 200 were present to enjoy the event. Many members from this city with their families and friends were in attendance. Muchmore's Orchestra furnished music for the evening and it was a most enjoyable affair, although the only drawback was the death of Charles Locke, one of the charter members of the order, who died on the anniversary day.

The entertainment consisted of a farce in two acts entitled, "The Irish Limerick," by T. S. Denison and was highly amusing throughout. The play of "Pat O'Doyle," the pedler, was well taken by Edwin W. Rand, who assumed the role in an able manner and showed ready tact in making the best of everything. The frequent changes of ownership which the table linen undergoes is very laughable. All the others of the cast did well and added to the success of the whole.

The first scene showed Pat at the farm house of Mr. Darling. The latter had planned an elopement with Mrs. Wade, his guest which which he wishes to conceal from his daughter and the latter had planned an elopement with Mr. Flannagan. The three buy a set of table cloths but by a series of ludicrous mistakes Mrs. Wade gets them all. Pat falls in love with Mollie and believes Flannagan his rival. In the last scene explanations are made and all ends happily.

The characters were taken as follows:

Pat O'Doyle, a linen pedler Ervin W. Rand
Mr. Flannagan Harry Vennard
Mr. Darling Fred Twombly
Miss Darling Mrs. Fred Twombly
Mrs. Wade Miss Frances Tucker
Mollie Miss Myrtle Caswell
Following the comedy, refreshments of ice cream and assorted cake were served and dancing was enjoyed until midnight. Late cars were run to Rye Beach and this city to accommodate the guests.

The anniversary event was well carried out and a credit to the committee in charge. Ernest A. Tucker was chairman of the affair, assisted by T. Herbert Perkins, Elmer Marshall and Irving Rand. They were ably assisted by members of the order.

SEND CALL FOR
DOVER POLICE

More Strike Trouble Feared at
Somersworth Today.

Following the crash between the strike breakers at the G. W. Warren Shoe Company at Somersworth and some of the crowd on the street on Wednesday, a call was sent out for more police protection by Mayor Brown. Extra police from Dover, Rochester and surrounding towns were rushed to the scene besides several deputy sheriffs of Strafford county.

Two of the strike breakers were badly beaten and some of the women even came to blows.

The police believe that several outsiders were mixed up in the trouble on Wednesday when one of the strike-breakers was sent to the Dover hospital for treatment. All those who were looking for excitement were on the streets and the authorities fear there will be more trouble today and the number of police has been increased.

A report was in circulation this forenoon that if any attempt was made to move the strikers in automobiles from Grant's hotel in Berwick to the shoe shop in Berwick, the streets would be blocked with barrels, boxes

and other blocking material. The authorities say they have policemen enough to check any such move and doubt if anything in this line was really planned.

The trouble dates back to February when some representatives of organized labor called on the Warren Co. shoe men, requesting that the company recognize only union labor. The same day when the employees returned to work after dinner, they found the doors locked and signs up announcing the shop had closed. Several attempts have been made to clear up the matter but the company insists on an open shop and are employing help wherever they can get the same.

NAVY YARD NOTES

Held Up the Work.

Orders to stop work on the transport George Washington at the Charlestown yard on Wednesday was received from the Shipping Board and caused a small amount of surprise and disappointment among the yard employees. One report has it that the ship has been sold but the Shipping Board is quoted as saying the hold up is only temporary. Another report has it that the ship has been sold. However, the Machinery Division of the yard is restoring work that has been torn out. The Hull Division is left hard by the order.

Defeated by 42 Pins.

Teams No. 4 and 5 lined up on the yard alleys on Wednesday afternoon. No. 4 had 42 more pins to its credit when the game ended. Lynes of Team No. 4 was high man. The summary:

Team No. 4

Lynes	98	81	104	283

Dance at Hotel Popperrell

Dance at Hotel Popperrell, Kittery Point, Friday evening. Music will start at 8 o'clock.

Music every Sunday evening from 6 to 8 o'clock.

Not a Heavy Payroll

Fifty years ago today 200 men were discharged from the local yard, leaving the same number to continue the work.

Sister Dead in Brooklyn

Lieut. F. W. Hulse of the Industrial Department has been called to Brooklyn on account of the death of his sister.

Will Not See Launching

For the first time in several years the employees of the yard will not be allowed time to witness the launching of the submarine on Wednesday next. This was brought about in view of the fact that the launching comes at such an hour that it could not be arranged to the best advantage and also owing to the amount of work that will be lost on account of two holidays in the present month.

Out of Hospital

Herman Pourbaix, first musician of the yard band, who has been under treatment at the naval hospital, for the past month as the result of an accident reported for duty today.

Calls for Economy

The Bureau of Steam Engineering has directed in a circular letter that all yards and ships be economical in storage and equipment during the remainder of the fiscal year.

Under the Commanding Officer

To avoid future arguments the navy department has issued a circular which states that all men and women who have accepted appointments from the department as welfare specialists shall be subject to the orders of the commanding officer or moral officer wherever they are located and will not be responsible to any organization whom they may represent in this kind of service work.

Osborne in Grays Again.

Thomas Mott Osborne, former commandant, is in the prison, garb once more as a first-class prisoner. He donned the rig on Wednesday and will put in a week in this status. Today he was engaged with other prisoners in packing up the household effects of a former yard commandant.

Finish Up at Bremerton.

Charles P. Mason, first musician in the yard band, has been transferred to Bremerton yard to complete the remainder of his enlistment.

One Helper.

One general helper was required for the supply department today by the labor board.

Miss Martha Hutchinson of New York is visiting her former home in this city.

PARSONS
THE HATTER

AIRPLANES USED BY CENSUS TAKERS

Everything from airplanes to snowshoes was used by the agents of Uncle Sam in taking the 1920 census of the United States. About the only modern method of transportation either on, over or below land or water that was not employed in enumerating Uncle Sam's nieces and nephews seems to be the submarine.

Airplanes came in handy in enumerating the dwellers on the islands off the coast of Florida; yachts and rowboats have been used in the harbors of the country; native canoes have been in demand among the Hawaiian Islands; "divers" are being used everywhere; the tried and trusty mule team has carried the census takers out on the desert regions; and snowshoes have become the trusted aids of the census takers in the northern states and Alaska.

In the central part of New York state, near Oswego, an enumerator making his rounds on snowshoes arrived at an isolated, stiff dwelling only to find that an able-bodied man was needed more than a census taker as the man of the family had been sick in bed for several days and the farm animals were suffering for lack of food and water. The census man, like any good neighbor would, stopped long enough to do the chores, dig out paths through the deep snow and put things in shipshape order before continuing his journey.

ADVANCE IN WAGES

(By Associated Press)
Westbrook, Me., April 15.—The 2100 employees of F. D. Warren Co., paper manufacturers here and the Yarmouth and Gardiner received in the weekly pay envelope an increase of approximately 12 per cent. The advance said to have been unsolicited is the second within a year.

Mrs. John G. Parsons has recovered from an attack of the grip.

TIRE DROPS OFF
LOCOMOTIVE ON
FREIGHT TRAINDelays Traffic on B. & M. Be-
tween Greenland and
This City.

A disabled locomotive on a Salem and Portsmouth freight train tied up traffic for a while on the east bound track of the Portland division this morning. The trouble was caused by the dropping off of a tire from one of the driving wheels about half way between this city and Greenland. The Portsmouth wrecking crew went to the scene, fixed the driver and hauled the locomotive and freight train to this city.

PLEASANT EVENT

Friends of Isabel Gladding
Entertained.

At the home of her grandparents, Mr. and Mrs. Horace Massey on State street, Isabel Gladding entertained a party of little friends Tuesday afternoon in honor of her eighth anniversary. Various games and diversions suitable for children were enjoyed and music added to the festivities. Piano solos were rendered by Betty Anderson and songs by Carolyn Crosby. A

birthday supper was served in the dining room and a daintily frosted cake, on which was inscribed the name of the youthful hostess, graced the table and fancy cakes, candy and ice cream were served. The little miss received many dainty birthday gifts and every moment of the afternoon was enjoyed by the participants.

START MAKING
DYES IN ABOUT
TWO WEEKS

A. C. Durfee, Jr., managing owner of the Atlantic Dyeing Co., in conversation with a Herald reporter this morning stated that wonderful progress was being made at the plant and that he expected that the making of dyes would commence in about two weeks.

RYE

Rye, April 15.—The Men's Community Club held its monthly meeting on Tuesday evening and there was a good attendance in spite of rainy weather. Those present were treated to a very interesting talk on "Submarine Cables and Telegraphy" by John Frazer, who is a past master of the business as well as a very interesting speaker. The club voted to hold a "Ladies' Night" at the next meeting which will be held on May 11th. This will be the first visit of the ladies to any of the meetings and they are looking forward with pleasure to the event. Supper was served by the committee, consisting of William Trefler, Edgar Hand and Ralph Berry. The Community Club is fast becoming one of the leading clubs of the town.

Mrs. Paul Haynes is fast recovering from a recent operation at the Portsmouth Hospital where she has been confined for some time.

Edgar Hand was a business visitor in Portland recently.

OBSEQUIES

Mrs. Ann Devlin

The remains of Mrs. Ann Devlin were sent to Pennecook on the 8.10 train Thursday morning for services and interment under the direction of W. P. Miskell.

SALVATION HUT
IN BOSTON IS
MOVED TO CANTON

The Salvation Army hut on Boston Common, in which hundreds of thousands of doughnuts, thousands of cups of coffee and innumerable cones of ice cream were served to soldiers, sailors and marines, and in which thousands of post cards and letters were written to mothers, wives and sweethearts throughout the United States, is to serve this summer as an "Army" fresh air cottage for needy children.

Up to the time registration in reading and writing rooms was discontinued and for the service men, 31,240 soldiers, sailors and marines had made use of the hut. They came not only from New England but from all over the country. Since the war, the hut has been used as campaign headquarters for various "drives," including the 101st Infantry, the Belgium Relief and other campaigns.

The addition of another building at the Canton camp is indicative of the growth of this feature of the Army's movement in behalf of child welfare, according to Colonel Adam Gifford, explaining the other needs for the 1920 Home Service appeal, to be conducted May 10 to 20, the commander ordered this "accounting of the Army's stewardship" of the nearly \$2,000,000 raised last May.

Total expenditures for all purposes on Jan. 31, \$1,643,954; reserve to carry the organization until June 1, \$108,137.20. The mortgage and building fund was the largest item, \$1,276,327, representing the outlay for this purpose. Corps activities for the eight months necessitated an expenditure of \$136,523, with a reserve of \$57,822. The Women's Social Work Department, which includes maintenance of maternity and rescue homes, hospitals, nurseries and other activities for the welfare of children and mothers, required \$510,000 with \$11,000 in the reserve fund; maintenance of provincial and divisional headquarters activities, \$39,847.20, with \$39,515 in reserve; required officers' pension fund, \$53,000; maintenance of national headquarters, \$23,788.

VISITED CHASE HOME

The Baptist Sunday school class, taught by Miss Gladys Hunt, visited the Chase Home for Children Sunday afternoon and gave an interesting program. The exercises opened with scripture reading and prayer, and the singing of hymns. Violin solos were rendered by Miss Edna Hatchelder, accompanied on the piano by her sister, Miss Eleanor Hatchelder. And piano solos by Miss Dorothy Williams. After the class program which was in charge of Miss Hunt, had concluded, the children of the Home sang for the visitors. The matron, Miss Tuttle, then much pleased to have the children given some program or helpful talk on Sunday afternoons and a number of young people from local churches have volunteered their services on different Sundays.

Mrs. Jennie Quinlan of Lynn, is here called by the death of Mrs. Mary Jones.

BAY STATE WILL
HAVE A NEGRO
BATTALION

Advisers have been received from Washington by Adj. Gen. Jesse P. Stevens that the military authorities will consent to the organization in Massachusetts of a battalion of colored troops. Earlier in the day Governor Coolidge answered the criticism made by speakers before the 21,000 Rights League in Faneuil Hall Sunday that he had shown no interest in the half of a colored unit. The Governor said the military committee had at no time ignored the colored unit, but that Washington had refused to consent. The Governor added that every effort was being made to induce Washington to consent.

Maj. Gen. J. Mel. Carter, chief of the Militia Bureau writing to Gen. Stevens says: "The War Department has recently communicated to the Militia Bureau its decision to authorize the formation of a very limited number of regiments of colored infantry, the organization to be allotted either as complete regiments or as battalions."

"The policy of the War Department is to employ these regiments as pioneer organizations, to be attached for duty with corps headquarters. If the Massachusetts state authorities so desire, the allotment of a battalion of colored troops will be made to that date, this allotment to be in addition to the organizations already allotted, unless it is desired that one of the two infantry battalions recently authorized for the state of Massachusetts be designated as a colored pioneer unit."

The letter is in reply to one written by Adj. Gen. Stevens in which he stated that the Governor had received a petition signed by 31 negro officers in the late war, asking for the formation of one combatant battalion in the reorganized National Guard.

MISSIONARY STUDY
CLASS HAS SOCIAL

The missionary study class of the Baptist Sunday school, Mrs. William Sides, together, held its monthly social gathering Monday evening at the home of Mrs. Jesse Hunt, on State street. The usual routine business was transacted and an entertaining talk on "China" was given by Mrs. Williams. The remainder of the evening was passed socially. Piano solos were given by Mrs. Nelson T. Wright and Miss Gladys Hunt. Ice cream and fancy wafers were served. The hostess made it very pleasant for her guests and all appreciated her hospitality.

WILL DO WORK
FOR PACKARD
MOTOR COMPANY

Mr. Patterson and Mr. Gray of the Packard Motor Car Company were in this city yesterday and placed a large order with the Portsmouth Auto Body Co. The two gentlemen made a thorough inspection of this growing industry and pronounced the work done there of the first quality.

Personals

Mrs. Frank J. McManis passed Wednesday in Boston.

Police officer Gray is recovering from a case of Quinsey sore throat.

Mrs. George Klump of Bellington street is passing two weeks as the guest of her daughter, Mrs. Bernice Shaw of Dorchester, Mass.

Mrs. Mary W. Truesdell of York Beach, Me., has been visiting at the home of Mrs. Harry Chase in Pennecook.

Michael Norton, employed at the Newport House, Newport, N. H., has been passing a few days in this city where he formerly resided.

Ex-Governor Samuel D. Parker of Rochester was a visitor here today.

A. M. Spafford is visiting in Wolfeboro for a few days.

George B. Chaschick, Miss Catharine Jockey and Mrs. Mae Smith passed today in Dover, N. H., attending the New Hampshire Methodist Conference.

Mrs. Mary A. Blum and Mrs. Frank Grover of Providence, R. I., have returned to their home after a few days in this city, called by the death of the former's brother, J. Howard Grover.

Mr. and Mrs. George W. Grover of Concord have returned to their home after a few days in this city, called by the death of the former's brother, J. Howard Grover.

Philip N. Powers of Boston, who was the Associated Press representative in Berlin during the war, is passing a few days in this city with Mrs. Powers. Mr. Powers is recovering from a nervous breakdown.

Angus White, president of the American Photo Glass Co. of New York, is here in connection with the Portsmouth Cold Storage plant. He is at his summer home in Kittery for over the week-end. Mr. White is at the head of the Cold Storage Company.

DOCTOR HAZZARD TO RESIDE
HERE

Dr. L. H. Hazzard, D. S. N., retired, who was stationed at the navy yard during the war and was relieved of duty after the war, has returned to Portsmouth where he will engage in practice.

MAN WHO LOST BOTH LEGS
UNDER TRAIN IS GIVEN SUM OF
\$38,625.

Portland, Me., April 15.—What is believed to have been the largest verdict in a personal injury case in the history of the state was found against the Maine Central railroad Wednesday in the United States court, when the jury awarded Charles O. Dunton of Rumford damages in the sum of \$38,625. Dunton, who is a brakeman, fell under the cars about 14 months ago and had both legs taken off.

DEMOCRATS TO ORGANIZE WOMEN OF THIS COUNTY

The annual meeting of the Rockingham County Democratic Club was held at the Hotel Rockingham on Wednesday noon, with about seventy democrats present from various parts of the county. The club took action on the organization of the Women voters of the county, the first club in the state in

together party to take such action. It came at the business meeting, held previous to the banquet, President Dr. S. T. Ladd presided and after the routine work, on motion of S. W. Emery the question of the election of officers for this year, was postponed, and that the democratic women of this county be

invited to attend a meeting to be held in the near future and hear an address by Mr. Jackson of Concord, and after they have been organized to have them meet and take part in the re-organization of the County Democratic Club. This was adopted and the gathering adjourned to the new banquet hall where Manager Jacobson had a fine menu awaiting them.

Dr. Ladd presided as toastmaster and the speakers included Hon. D. W. Badger, Senator O. B. Marvin, Dr. George W. Guptill of Raymond, Dr. C. Gilmore of Epping, Dr. Seth W. Jones, collector of Internal Revenue and S. W. Emery, Mr. Raymond E. Stevens who was invited to be the speaker but was unable to get away from his duties on the Shipping Board and sent his regrets.

LOTS OF ACTION IN TONIGHT'S BOXING

Thrillinging fights of Woonsocket who will meet Dusty Kroll of Portland, before the Belfast A. C. here this evening, arrived in town on Wednesday evening and reported to Promoter Jim Phelan. He is in the pink of condition and expects to gain the decision over Kroll. He has not met Kroll, but he has a lot of respect for him after his decision last week over Harry Thorpe at Cedar Rapids, and will take no chances. St. Helene is also in good condition for his seller, who is being backed by the entitled men as a corner. The entire show promises to give the boxing fans an evening of real sport.

COUNTRY CLUB DANCING PARTIES

The date of the young peoples' dancing assembly for Country Club members and their guests, to be held at the Hotel Rockingham, has been changed to Thursday evening April 22. The date of one of the club's regular assemblies had been set for Wednesday evening April 22.

SPRING AILMENTS

Retarded by A Well-Known Medicine of Superlative Merit.

Spring ailments are due to an impure, impoverished, devitalized condition of the blood.

Among them are pimples, boils and other eruptions, loss of appetite, that tired feeling, a run-down condition of the system, and sometimes chronic weaknesses made worse.

Ladd's Sarsaparilla combines the roots, bark, herbs, berries and other medicinal plants that have been found, in many years of intelligent observation, to be most effective in the treatment of these ailments.

Successful physicians prescribe these ingredients for diseases of the blood, including liver and kidneys, and in cases where liver and kidney effects are needed.

Ladd's Sarsaparilla is the spring medicine that purifies, enriches and revitalizes your blood, increasing power of resistance to disease.

For a laxative take Ladd's Pills.

Have Your Tires Retreaded by Steam Dry Cure Process.

Between five and six thousand miles and cost about 45 per cent less than new tires.

Don't wait, have it done now. We guarantee work on vulcanizing. Come in and see our standard heavy cord, red tube, high quality, low price.

WOULD TURN MARTENS OVER TO THE COURTS

Soviet Envoy Called Enemy Alien by Senators.

Washington, April 14.—Declaring that Ludwig C. A. K. Martens, self-styled Russian Soviet Ambassador to the United States is a German subject, and in consequence an alien enemy, the senate committee which investigated his case reported today that his activities had been such "as to render him more suitable for investigation and action by the Department of Justice than by a committee of the senate."

Martens is now awaiting a hearing by the Department of Labor on a deportation warrant, issued just before the senate committee concluded its investigation. "While he himself has not been openly engaged in advocating the overthrow of the government of the United States," the committee adds, "he was habitually associated with and sympathized with those who do advocate such a course, and he has admitted to the committee his persistent revolutionary character and his opinion that it would be better for this country if the Soviet government were established here."

COUNTESS IS ARRESTED ON ARSON CHARGE

Bangor, Me., April 14.—George Leroy Nelson of Bangor and his wife, who was the Countess Hermana Gether, of the Countess of Bangor, were arrested on the charge of arson being charged with setting fire to the house where they lived in Bangor near Bangor on March 1 at three o'clock in the morning. They were held for the superior court and \$1600 bail each and were committed to jail in default, but expected to furnish cash bonds Thursday.

The couple applied to a Bangor agency for an insurance of \$15,000 on their home and contents, claiming it had many valuable furnishings. A policy was written for \$6000. After the fire special agents made an investigation and the prosecution was the result, no payment of the loss having been made pending investigation. The couple have attracted considerable attention, their marriage being the culmination of a war romance. Nelson met the countess in Paris when he was a lieutenant in the engineering corps. The couple was arrested in Boston Wednesday and brought here by Sheriff Fernandez and Deputy Sheriff Farrar this morning.

METAL TRADES TO HOLD BALL

The Metal Trades Council are planning big things for their ball at Freeman's hall on the eve of last day. Martens' full orchestra will furnish music and many novelties are promised.

OBITUARY

Mrs. Anna Devlin

Mrs. Anna Devlin, wife of James Devlin, passed away on Wednesday afternoon at the home of her daughter, Mrs. George A. Soben, 172 Austin street, at the age of 76 years. Mrs. Devlin had resided here about five months coming here from Penacook, where her body will be taken at 2:15 this morning for services and interment.

She leaves besides her husband two daughters, Miss Margaret Devlin and Mrs. George A. Soben and one son, James of Penacook, and a grandson Harold Moffitt.

Tissue Building

Tissue is the doctor's name for body cells.

It is to our bodies what coal is to an engine.

Every day we turn up a certain amount of tissue.

Therefore new tissue must be built to take the place of the lost fuel.

The food we eat makes this new tissue and in a healthy person gives enough fuel to replace the loss.

People get thin and "run down" because they do not get enough nourishment from their food to supply the needed fuel.

When the weakened system does not do its duty you must have a "tissue builder." Mother John's Medicine is a real tissue builder because it actually makes new flesh and tissue.

When you take Father John's Medicine, the actual food elements of which it is composed give you new strength and enable the organs of the body to resume their work.

Father John's Medicine soothes and heals throat and is best for colds, bronchitis, asthma.

People gain weight steadily while taking it.

Remember Father John's Medicine contains no alcohol or dangerous drugs. It has a history of more than half a century of success.

LABOR FURNISHED.
CAN FURNISH MEN FOR ALL KINDS OF LABOR.

Tony Pinto, Contractor
Tel. 882-X. 1 Jackson St.

picture house is nonsense. If you don't make changes for ourselves, landlords will make them for us, and they are, making themselves felt already. Our agricultural and industrial lines must be bolstered, and there is no reason why the Merrihew should be lined on both sides with factories and the Keimelers have few, except that we lack business government and pay too much attention to how much somebody else is earning.

"We must face the future, forget past great men and scenery and quit living in a cemetery."

METHODIST CHURCH HAS SUCCESSFUL YEAR

Sunday evening at the service in the Methodist church, the pastor, Rev. Elmer A. Swallow, D. D., briefly summed up the work that has been done by that society during the past year, and it gave evidence that the year had been a most successful one.

Church membership has been increased by 40, eighteen have been baptized. The membership in the Sunday school increased by 70. The amount collected for the Centenary for one year \$2200, and for five years \$9651. There has been paid in time for the Centenary \$157, and it is expected that at the close of the first year, in June, this church will be over the top in the Centenary.

Improvements in church property a little over \$2000.

The Ladies' Aid have raised \$200, of which \$200 has been expended on the Portsmouth parsonage and \$25 on the Methodist parsonage at Haverhill. There have been added in subscriptions to our church paper, 29 new names. There are 150 still on the list of Intercessors. The Epworth League has doubled its membership this past year, and raised considerable money for the piano and for other causes. The Win A My Church Week was splendidly observed with large congregations and fine results. The League has done most excellent work among the men in service. The Junior League started this past year, has now a membership of 36. New organizations have started in the Women's Home and Woman's Foreign Missions Society, consisting of the Queen Esther's and the Home Guards and the King's Healers. The Woman's Home Association Society has doubled its membership and the Ladies' Aid increased its membership 75 percent.

At Atlantic Heights (the pastor), the department and others have done faithful work and now Atlantic Heights takes its place as one of the regular appointments in the Conference. The Home Department in the Sunday school now has a membership of 30 and the Grade roll is doing most excellent work.

There is a good home for the pastor to live in and the parsonage on State street is much appreciated. The total benevolence for the year will reach the sum of \$2200.

Bad weather conditions the past three months have shattered some of the well laid plans but nevertheless some good things have been done this past year. Congregations are again up to normal and the future looks unusually bright with all bills paid and a most excellent spirit on the part of the people.

Great credit is due those who have labored so faithfully to accomplish what has been done and the pastor appreciates much the co-operation of so many conscientious and faithful workers.

The conference session is held at Haverhill, Mass., and began this morning with Bishop Hughes of Malden as the presiding officer.

The New Hampshire Conference takes in all but four of all the Methodist churches in the entire state, and in addition takes in ten churches in the state of Massachusetts including the cities of Amesbury, Lawrence and Haverhill. There are in the conference 140 churches and about 140 preachers.

A fine conference session has been arranged by Rev. William H. Hook and his church at Haverhill and it is expected that many of the Portsmouth people will attend many of the services in Haverhill during the coming week.

The most prominent features of the Conference program are, the Epworth League Anniversary on Tuesday evening, April 13, when the Editor of the Epworth Herald, Dr. Dan Brummitt will speak; the address by Dean Blaney on Wednesday at 3 p. m. and the six reel Motion Picture "The World at Columbus" at 8:30 p. m. the election of delegates to the General Conference, to be held at New Orleans, Iowa; the Conquerer to be given by the Schubert Quartet; the sermon by Bishop Hughes on Sunday morning; the ordination of deacons and elders on Sunday p. m. and the appointments to be read on Monday morning.

EDWARD J. BURNHAM, EDITOR AND SCIENTIST, DEAD

North Chichester, N. H., April 15.—Edward J. Burnham, author and scientist and until two years ago chief editorial writer on the Manchester Union for nearly 35 years, died at his home here late Wednesday afternoon, after an illness that extended over a period of years. He was 65 years of age and besides his wife, is survived by two sons and two daughters. One son, George E. Burnham, was formerly a member of the Boston Post staff.

The Herald want column is the best result under in town. It gets 'em quick.

PARISH SUPPER
AND MUSICAL
PROGRAM

The Missionary society of the Middle Street Baptist church held its monthly meeting yesterday and a large number of parishioners were present at the supper and musical that followed.

Supper was served at six-fifteen o'clock and covers were laid for 200. It was marked by sociability and the meeting and greeting of parishioners was most pleasant and the former pastor, Rev. William P. Stanley was a special guest. The menu included cold roast, baked beans, assorted cake, fancy pies, rolls and coffee.

The evening program was in charge of Mrs. Freeman Caswell and every member was listened to with attention and well appreciated.

The order was as follows:

Prayer, Mrs. Roscoe Ellis and Mrs. Freeman Caswell.
Vocal solo, Mrs. Herbert Pettigrew.
Violin solo, Mr. J. H. Weeks.
Vocal solo, Miss Frances Murel.
Reading, Miss Anna Seavey.
Vocal solo, Mr. Stewart Humphreys.
Violin solo, Mr. J. H. Weeks.
Vocal solo, Harry Caswell.
Talk on China, Mrs. Williams.
American, All.

PARISH RECEPTION
OF NORTH CHURCH

The final reception of the North church parish for this season, was held Wednesday evening in the parish hall on Middle street and a large number were present. The decorations were especially pretty and in Japanese style.

The musical program included choice vocal solos by Mrs. Elsie Steady Hill and Miss Dorothy Hillmuck, with Miss Dorothy Hillmuck as accompanist. Brilliant piano selections rendered by Mrs. Robert Potter added to the interest of the gathering.

Refreshments of orange sherbet, iced cake and coffee were served. Mrs. Levee Leckie and Mrs. Fred Hayes presided.

The affair was in charge of the Reconstruction Unit of the church. Miss Helen S. Walker was chairman of the decorations.

CHAMBER OF
COMMERCE FAVOR
DAYLIGHT SAVING

At Annual Meeting Take Action Favoring Keeping Clock as it is But Going to Work Hour Earlier---Navy Yard Will Observe Daylight Hours

The annual meeting of the Portsmouth Chamber of Commerce was held Wednesday evening at the Hotel Rockingham and there was a good attendance of the members at both the business meeting and the banquet which followed.

At the business meeting held in the Colonial dining room at 6.30 President Belden presided and the annual report of the secretary and treasurer were read and accepted.

The annual election resulted in the choice of the following officers for the coming year.

President, H. L. Castello.
Vice-presidents, U. W. Hartford, N. H. Benn.

Treasurer, H. W. Jenkins.

Directors—J. A. Rockwell, Fred Gardner, L. G. Peyser, E. W. Hamblin, Mayor Albert Hanson, C. A. Peabody, H. P. Payne and E. C. Matthews Jr.

Clerk and secretary, Edgar H. Baker. The gathering then adjourned to the new banquet hall where plates were laid for seventy-five, and among those present were Mayor Hibbs, Captain J. S. Adams, U. S. N., Industrial Manager of the Yard, Mr. A. C. Burrage Jr., the president of the new Dye Company, and Captain Wood U. S. N.

Following a very fine meal excellently served by Hostess, President Belden brought up the business of the meeting after explaining that the speaker who was scheduled, was unable to be present owing to sickness.

Mayor Hibbs was the first speaker and he spoke of the good work that is being done by the Chamber of Commerce and of the desire of the City Government to work with them. He said that the question of the daylight saving had been brought before the Council and that they had asked that the Chamber of Commerce be given an opportunity to express their opinion on the matter. He also wanted the Chamber to consider the question of the advisability of a bond issue for permanent road construction.

Captain J. S. Adams, U. S. N., the Industrial Manager of the Navy Yard was the first speaker on the matter of daylight saving. He was in favor of it. He said that the Navy Yard would have to adopt the measure and he understood that the Atlantic City Corporation was also in favor of the project. The Boston & Maine railroad representative had been at the yard and informed him that as soon as Massachusetts set her clocks ahead that the Boston & Maine railroad would advance the running time of all trains just an hour. That under the law they could not advance the clock but could and would run the trains to conform with the system in New York and Massachusetts. This means that the Navy Yard workmen who depend upon train service to the yard and there are a great many of them from surrounding towns, would be effected and the yard would have to adopt new hours. There were two propositions, one that the clock be left as it is and that the hour of starting work be 6.30 instead of 7.30 and stopping at 3.30 or having the city of Portsmouth advance the clock. Personally he was in favor of the city advancing the clock an hour as in Boston as he explained we are

creatures of habit and we have certain hours to get up by, work by, play by and go to bed by, so that by advancing the clock it would appear natural. He explained the people living at the extreme eastern end of the eastern time zone were at a disadvantage over those on the western end by 45 minutes by the sun, so that the argument advanced by a contributor to the Chronicle saying that "The Almighty Time Was Good Enough" was misinformed, as we were not on the Almighty time here at all.

Mr. L. G. Peyser favored going to work an hour earlier and keeping the clocks as it is. Major E. W. Hartford favored obeying the law, that if Congress has repealed the law, then the people should be law abiding and obey the law, especially now when the country was so prone to take liberties with the government.

Messrs. H. B. Roynton and J. A. Rockwell favored going to work an hour earlier and keeping the clocks as it is. Mr. Jacobs of the Consolidation Coal Company said that as the Navy Yard did the other industries of the city would be forced to do. Mr. E. L. Cheney for the navy yard said that all men he had spoken to were in favor of the daylight saving no matter how it was obtained.

The matter was put to a vote and 45 voted in favor of going to work an hour earlier and keeping the clocks as it is and 9 voted in favor of setting the clock ahead—all were unanimously for daylight saving of some sort.

Captain Wood U. S. N. spoke on the vocational training in the army and made a strong plea for the business men to stand back of the army and to apply their business slogan of "quasi and not knock." He said that the government had devised the plan of giving every soldier a vocational training or three years, this not only made him more valuable to the army as a soldier, but when he was discharged he is a better unit in the business world and a potential soldier for many years to come. He said that the country was rapidly sinking back into its condition before the war, and that the lessons of the war were not taken root. This was a time when everybody should do his best to encourage the peace time army, he army was needed nobody with intelligence doubted, so everybody should to their best to encourage enlistment.

Mr. A. C. Burrage Jr. of the New Dye Company spoke briefly on progress of the road bond issue and Mr. H. S. Roynton briefly stated the city's financial condition in debt and borrowing limit and advised that it was a poor time to be borrowing more money, until there had been a readjustment. No action was taken on the matter after Captain Hamblin explained that the proposition was to make permanent roads out of the approaches of the city, to do so much each year.

After a voting vote of thanks to the retiring president the meeting adjourned.

President Belden during the evening took occasion to praise in the highest terms the work of his board of directors, who have served with him.

ed in the Massachusetts legislature to give the former Yeoman (P) the \$100 bonus.

CONVERT SHIPS
INTO OIL
TANKERS

The merchant ship "Winnipeg" and two of the other ships built at the Charlestown yard and which are now tied up at Wilson's Point, are to be converted into oil tankers by the France-Canada Oil Transportation Co.

The very newest and most correct models are shown in our spring suit display. There are several different models in coats, from very close-fitting ones for the fellow who "goes the limit," to comparatively loose-fitting ones for the ultra-conservative dresser who looks first for comfort. A good showing of double-breasted jacket suits among them. This model is "good form" for this season and very popular with smart dressers.
